

3 AMS Hitek 4400-XN

Items	QTY(Per pcs)	Rate Per Unit	Total
AMS Hitek 4400 XN Plastic body system (Detection upto 7 ft for hard tag)	1 Pair	99000	99000

- 5 years Onsite Comprehensive warranty
- Installation free across PAN India
- GST 18% Extra
- Inclusive of delivery charges to your site
- **Already installed in Zudio store PAN India**
- **Currently used in numerous Trend stores**

FEATURES

- Ultra-wide exit protection systems
- Low power consumption 40W
- Balanced label detection in all three orientations
- Ultra-strong noise immunity
- Air synchronization
- Built-in electronics
- 1 mainboard for maximum 3 transceiver antennas
- Flexible modes of antennas under one mainboard
- Software configuration
- Tag-Too-Close alert
- Jammer detection & alert
- Silent configuration & test of antennas
- External device control (CCTV, access control, etc.)
- Comprehensive parameters for installation in harsh environment
- High quality electronic components
- Inbuilt Isolation Transformer

TECHNICAL SPECIFICATIONS

- Central frequency : 58KHz
- TX frequency bandwidth : 58KHz±500Hz
- Power consumption : 40W(normal) / 60W
- Fuse : 2A
- TX Current (max.) : 38A
- Voltage : 110V or 220V (AC)
- Alarm audio level : 100dB
- Alarm light color : 7 Colors optional

DETECTION RANGE

- Temperature : 0-50°C
- Relative humidity : 0-90%RH, non-condensing
